

St. Michael Preschool
Tuition Policy

TUITION

Tuition payments will be made through the FACTS Tuition Management Program. Through this program you may choose one of four payments plans: Annually (paid-in-full), semi-annually, quarterly, or monthly. **There is a small enrollment fee of \$45 for use of the service for a nine month payment schedule.** The fee is \$10 for a semi-annual payment schedule. There is no fee if tuition is paid in full. First payments are due in August 2018. Please sign up on the St. Michael website or click on the following link. <https://online.factsmgmt.com/signin/3G8GV> If you have a student at St. Michael School and are already signed up, you do not have to sign up again.

Delinquent tuition payments, either for the current year or previous years, may result in the forfeiture of a child's place in the Pre-kindergarten class. Considerations can be made if a family has made special arrangements with the pastor. All tuition for the school year must be paid in full by April 15, 2019.

Families that have forfeited a place, but wish to reregister will be accommodated if space is available. However, the family will be assessed a \$25.00 student late fee. This fee is nonrefundable and not credited towards your student's tuition.
